SEEKING TO STAND OUT IN WHAT IS REALLY IMPORTANT

ROBOTIC SURGERY IN THORACIC SURGERY

Exclusively for pulmonary lobectomies and wedge resections, with an excess of 8,000 euros

Exclusively for womb cancer, endometrial cancer, cervical cancer and Grade 4 or severe endometriosis, that is, extensive injuries with multiple adhesions and having spread to other organs with an excess of 6,000 euros.

Remember that you have **robotic surgery included in urology** for the surgical treatment of prostate cancer through a radical prostatectomy and for surgical treatment, through a partial nephrectomy of renal carcinomas, with an excess of 6,000 euros.

IMPLANTS

Breast prosthesis and skin expanders, **including mammary coating biological mesh** for breast reconstructions performed following a mastectomy and the restructuring of the contralateral healthy breast, with a maximum limit of one year after oncological surgery, if it is considered to be a therapeutic option supported by a medical report.

Estas coberturas solo se aplicarán a los colectivos que cuenten con cobertura estándar de Adeslas Completa 25-26 y de acuerdo a como figuran descritas en las Condiciones Generales del producto.
