#### PRICE LEGEND

**NC:** procedures with **no charge** for the insured party

\* Anaesthesia included in animals up to 40 kg

#### INFORMATIVE NOTES

- 1. All emergencies must be coordinated using the telephone number 910 008 707.**
- All operations carried out as emergencies will be liable to a 25% surcharge on the basic rate.
- In the prices for treatment, serums, medicines, prostheses and orthoses **are not included**, nor are pins, meshes, plates, cerclage or the resuscitation of newborns, where necessary.
- In communities where vaccination is compulsory, the costs of the paperwork will be charged at the private cost set by the veterinary clinic the insured party has used.
- There is a possibility that not all the procedures related with the price are performed in all the clinics within the network. Check availability.
- The specialist consultation only applies to those families specified in the price.
- Daytime hospital admissions depend on the opening hours of each centre.
